

Orthodontist Opening

Because of our growth and expansion plans Afdent, Mishawaka, IN is in need of an Orthodontist. Full or part-time is available. Receive a great guaranteed salary with fully paid medical insurance for you and your family, paid vacation and holidays, and paid malpractice insurance. This position is open to those with experience and those just finishing their Orthodontist certification.

“Affiliated Family Dentists”, Afdent, located in Mishawaka, IN is a full service dental care provider established for 40 years. Providing “Patient Friendly Dentistry” is the focus of our existence. Not part of a national chain, and not corporate Dentistry, Afdent is a large, fee for service, dental practice locally owned and operated by its founder Dr. Roger Pecina a 1977 Graduate of the Indiana University School of Dentistry. Afdent has delivered a 99.6% patient satisfaction rate for over 35 years and is accredited with the Better Business Bureau - receiving an A+ rating. Mishawaka, IN (near South Bend) is a great community with a highly rated school system and a low cost of living. Our office is five minutes from the beautiful Notre Dame campus, Indiana University South Bend and the St. Joe River and River Walk. We are less than an hour from beautiful Lake Michigan and its sandy beaches and world class fishing. We are within 30 minutes of several large inland lakes for boating and excellent fishing summer and winter! Less than two hours by car or a train direct from South Bend to Chicago and all it has to offer.

A visit to Afdent is the only way to witness it all including our “Patient Friendly Dentistry” where you can really enjoy helping people again - or for the first time. TAKE THE TRIP – WE’LL PUT YOU UP! Our local expansion has created the need for full time, patient centered Orthodontist. This is a long term employment opportunity with no business management responsibilities and plenty of job security. Presently with seven Doctors on staff, fully expanded duties assistants, and a team approach to dentistry, we provide less experienced Doctors with an environment that promotes learning and personal growth. The variety of procedures performed and the number of patients available make the Afdent experience superior to any General Practice Residency program.

All salaries are guaranteed, not tied to production or quotas. Patient centered Dentistry and an overall superior dental experience is our focus. No long-term contracts are required but a long-term salary structure may be presented with ownership opportunities. If you have a great attitude, like to keep busy, and enjoy helping people, please consider Afdent. Join the team in our 28-operator, state-of-the-art facility and our new 10 room "Denture-Implant-Surgery Center".

Afdent is an equal opportunity employer.
